

Protect yourself from claims for injuries or property damage during your event

Are you planning to use or rent a city facility?

TULIP ensures you are protected from liability for injuries and damage that may occur at your event or activity.

Without TULIP, you may be personally responsible for paying claims for bodily injury or property damage during your event or activity. Your homeowner's insurance may cover some situations, but it may be limited and not all claims will be covered.

You can buy insurance through TULIP, a city-sponsored program, or you can purchase a policy through another private insurance carrier.

What does TULIP cover?

This city-sponsored program provides \$1 million in liability coverage for events* such as:

- Receptions

Town of Bethel

Presents the

Tenant User Liability Insurance Program

How to Guide

Your local government, Town of Bethel, has enrolled in a program that allows you, the “user” of a municipal facility, school, or other local government property, to secure cost-effective liability insurance, which provides protection for you as well as the governmental entity. The Tenant User Liability Insurance Program (TULIP) is a General Liability Policy written in the name of the tenants and/or users of the local government facility or venue. Third-Party Property Damage Coverage is also provided.

The Town of Bethel is a registered user of the TULIP program through the Maine Municipal Association (MMA) and HUB International New England via Intact Insurance. Its assigned unique Venue ID-Code is: 0419-CGM.

How it works:

1. Log onto www.intactspecialty.com/entertainment ... then scroll down and click on ***“Planning an Event?” - Get a Free Quote***
2. Enter the Venue ID-Code listed above or use the venue drop down menu.
3. Select the Event Details or “eligible activity” from the drop down window, e.g. wedding, festival, etc.
4. Answer the 4 questions.
5. Select the date range for the event on the calendar by clicking on the day of event (if multiple dates, select all of these).
6. Name Event...then click on yes/no for Liquor Liability...then add Average Daily Attendance...then answer the next 4 questions (if applicable).
7. At this point you are able to “GET QUOTE”.

If you would now like to proceed and purchase the coverage, please complete the requested *Contact & Credit Card Information*, and coverage is automatically bound.

When you purchase coverage, a Certificate of Insurance is issued and sent via email, in your Name or Organization’s Name, with a Certificate automatically sent via email to your local government.

If you have questions about the eligibility or classification of your event, please contact Susan Kludjian or Christine Mitchell at HUB International N.E. (800) 370-2106.

Why TULIP?

Requests to use local government (including cities, towns, counties, schools, and special districts) property and facilities by the public have become a common occurrence.

Individuals and organizations that use your governmental facilities are not covered under your local government's insurance program. This opens the possibility of the local government becoming drawn into unnecessary claims.

The Solution to this dilemma is the Tenant Users Liability Insurance Program (TULIP). TULIP is a low-cost insurance policy that protects both the "Tenant User" and the local government. A "Tenant User" is any outside party using local government facilities. The policy applies to liability arising out of the use of the local government's premises by Tenant Users. Premium costs are traditionally paid by the Tenant User. Premium costs are based on the nature of the event, the number of event days, the number of participants, the level of risk and any special requirements.

Coverage & Limits

Coverage limits of \$1 million are available for products/operations, including liability for bodily injury. The policy will pay those sums that the insured (the Tenant User) becomes legally obligated to pay as damages because of bodily injury to which this insurance applies.

Coverage Includes:

- Premises Operations
- Products/Completed Operations
- Contractual Liability
- Broad Form Property Damage
- Limits are outside cost of defense (Therefore, cost of defense is in addition to the limit of liability for any coverage.)
- The local Government is an Additional Insured for Each Covered Event
- Liquor Liability—Optional

How It Works

- The local government is registered to use the TULIP program account through HUB International New England at no cost.
- When a Tenant User wants to use the local government's property, the facility management directs the Tenant User to www.intactspecialty.com/entertainment and provides a Facility/Venue ID Code that identifies the local government.
- The Tenant User enters the ID code and answers a few basic questions in a three-step process that provides an online quote.
- If the Tenant User decides to purchase coverage through the local government's TULIP program, the user simply enters his/her credit card information and the coverage is bound. A Certificate of Insurance is automatically sent via email to the local government, the Tenant User and the broker.
- If the event falls outside of the program's scope, the user can call a toll-free number for a quote. . .1-800-507-8414

Your Tenant User now has access to generate a quote and bind coverage via the TULIP online system!
