

Town of Bethel Ethel Bisbee School Lot Committee

And so it has begun!

The EBS Committee is now in the process of considering and evaluating possible uses for the Ethel Bisbee Lot. Such use may include municipal use, sale, or lease of all or portion of the land. In an effort to consider a wide range of impacts and benefits to the Town, the Committee is eager to share progress updates, meeting dates, and other opportunities with Bethel citizens and community stakeholders.

If you are interested in following along with our progress please use the QR code below or visit <http://tiny.cc/EthelBisbeeLot> and fill in your preferred email.

Thank you for your interest in being involved with this exciting community project.
