How to Transport Items:

- ✓ All items must be in sealed containers. If leaking, wrap in a plastic bag and place in separate box.
- ✓ Tighten caps and lids.
- ✓ Leave materials in the original labeled container if possible.
- ✓ Pack containers in sturdy, upright boxes and pad with paper
- ✓ Sort and pack separately: paints, pesticides, cleaners.
- ✓ Place materials in in vehicle, preferably in the trunk. Take care to keep the box(es) from tipping over in the vehicle
- ✓ On arrival, **please stay in your car**. Trained staff will inspect and remove materials from your car for you.
- ✓ **NEVER MIX CHEMICALS**
- ✓ **NO SMOKING**
