RE: Bethel, Route 2 Sidewalk, 024367.00

Dear Town Officials:

The Maine Department of Transportation is conducting an on-demand public meeting for the proposed design and construction of a 1,600-foot sidewalk from the existing sidewalk on the Route 2 overpass to the existing multiuse trail (Bethel Pathway) on Route 2, closing a gap in the sidewalk network.

A link to this and other meetings can be seen at any time at bit.ly/mainedot-meetings.

The on-demand meeting will consist of information describing the proposed project. Comments and any other input will be accepted through the website from February 1, 2024, until February 19, 2024, or by contacting me at (207) 624-3451 or email daniel.m.loring@maine.gov. or email daniel.m.loring@maine.gov.

Sincerely,

Daniel Loring

Project Manager
Multimodal Program
